Dr. Hina Shah

Founder & Director, SJIS

The word education comes from Latin root “educō” which means to educate or draw out. As such education is not only about acquiring knowledge but also about transforming the personality of a person and making her/him fit for living in a real sense. This transformation process implies an understanding of human nature and its proper cultivation so that the individual attains the potential which is present in her/him. At Satyamevayajate, education is not merely concerned with giving formal knowledge, rather it aims at the complete development of the personality of an individual. It provides all-round development so that she/he becomes capable to face any challenges in life and also harnesses inner potential for social betterment.

To enable a student to acquire human values, scientific attitude and noble character is the objective of the school. Such an education system helps in transforming society by producing upright citizens who can contribute positively towards national progress. The curriculum is disseminated in such a manner that students are able to face practical problems which they come across in day-to-day life.

In present-day scenario, technological advancement has considerably influenced our day-to-day life. So it becomes essential that the education system should also get restructured to keep pace with changing times. In this context, modernization of education at SJIS aims at removing the gap between traditional education and education required by industry so that students can get necessary training which will help them in doing routine tasks more efficiently.

At the same time emphasis is laid on acquiring creative skills so that one can contribute uniquely towards social growth. This ensures all-round development of a student through different curricular activities like arts, sports, physical education, library activities, community services, etc.

*“Together,
let's write
the next chapter
of our success story.”*

Dr. Smita Laur

Principal, SJIS

Greetings!

Learning is not a process limited to schools and colleges only, nor does it end with the conclusion of one's school career. It is indeed a lifelong process. SJIS is oriented to the total formation of a child and to adaptations of various methods suiting the dynamics of changing world in order to achieve common goals and objectives. Since its inception in the year 2000 the school has been striving towards maintaining high academic standards and excellence in all-round development of students. Our campus is vibrant with energy, enthusiasm and activity. We explore the possibilities in every individual child, hone their skills and make them capable in pursuit of worthy goals in the service of the Nation and Humanity. Here comes

the role of Physical Education, Sports & Games and Co-Curricular activities. We, at SJIS are conscious of our responsibility and the trust placed in us by our parents and students. Our aim is to empower our students to become honest, committed and responsible global citizens by providing them a roadmap to opportunity for a better life. Education is and always will be a challenging enterprise, but I am confident that together we can overcome every challenge and help our children become self aware, resilient and confident adults prepared to take on the world and win! We at SJIS, look forward to a long association with you. Let us join hands in grooming the young minds so that they may walk the path of life successfully!

Vision

To provide education and values which are accessible, affordable and contemporary, to provide benchmark against the best academic practices, retaining the core education principles and spiritual elements of India, that once made our nation one of the most prosperous in the history of the world.

Mission

The Satyameva Jayate International School seeks to give its students a sound education in the fullest sense of the term. While following a curriculum aimed at the attainment of the highest standards of academic excellence, the school takes particular care to ensure the wholesome all round development of character and personality and inculcate the qualities necessary for children to grow up as disciplined and responsible citizens. We don't teach children, but create conditions for them to learn.

SJIS YOUNG ENTREPRENEURS DREAM BIG

Visits were organized to meet some innovative successful businesses and Entrepreneurs to expose our students to the practical aspects of Entrepreneurship.

Our 6 year olds visited the bank, our 8 year olds visited successful businesses, our 11 years olds learnt how to handle budgets, our 14 year olds ran one month businesses successfully and our 15 year olds learnt the art of making a great business plan - these are some of the highlights from our year in Entrepreneurship at SJIS.

Experiential learning, conceptual strength, field visits and fun: are the pillars that define our Entrepreneurship Classes.

Mini markets done through the year added a lot of zing to the recess times. We saw tonnes of sales, yummy foods, impeccable stationary, seasonal products as well as profits and losses being discussed amongst all age groups.

With 8 different faculty members, our entrepreneurship program aimed at inspiring children and exposing them to concepts of business that we often learn as adults.

Market linkage, margins, GST, rate of interest, loans, banking, pocket money management, banking, international trade, India's ranking in the world commerce statistics, demand and supply are some of the aspects covered this year. We're excited for the coming year where we can take these kids even further in their exposure to entrepreneurship!

Mini Market

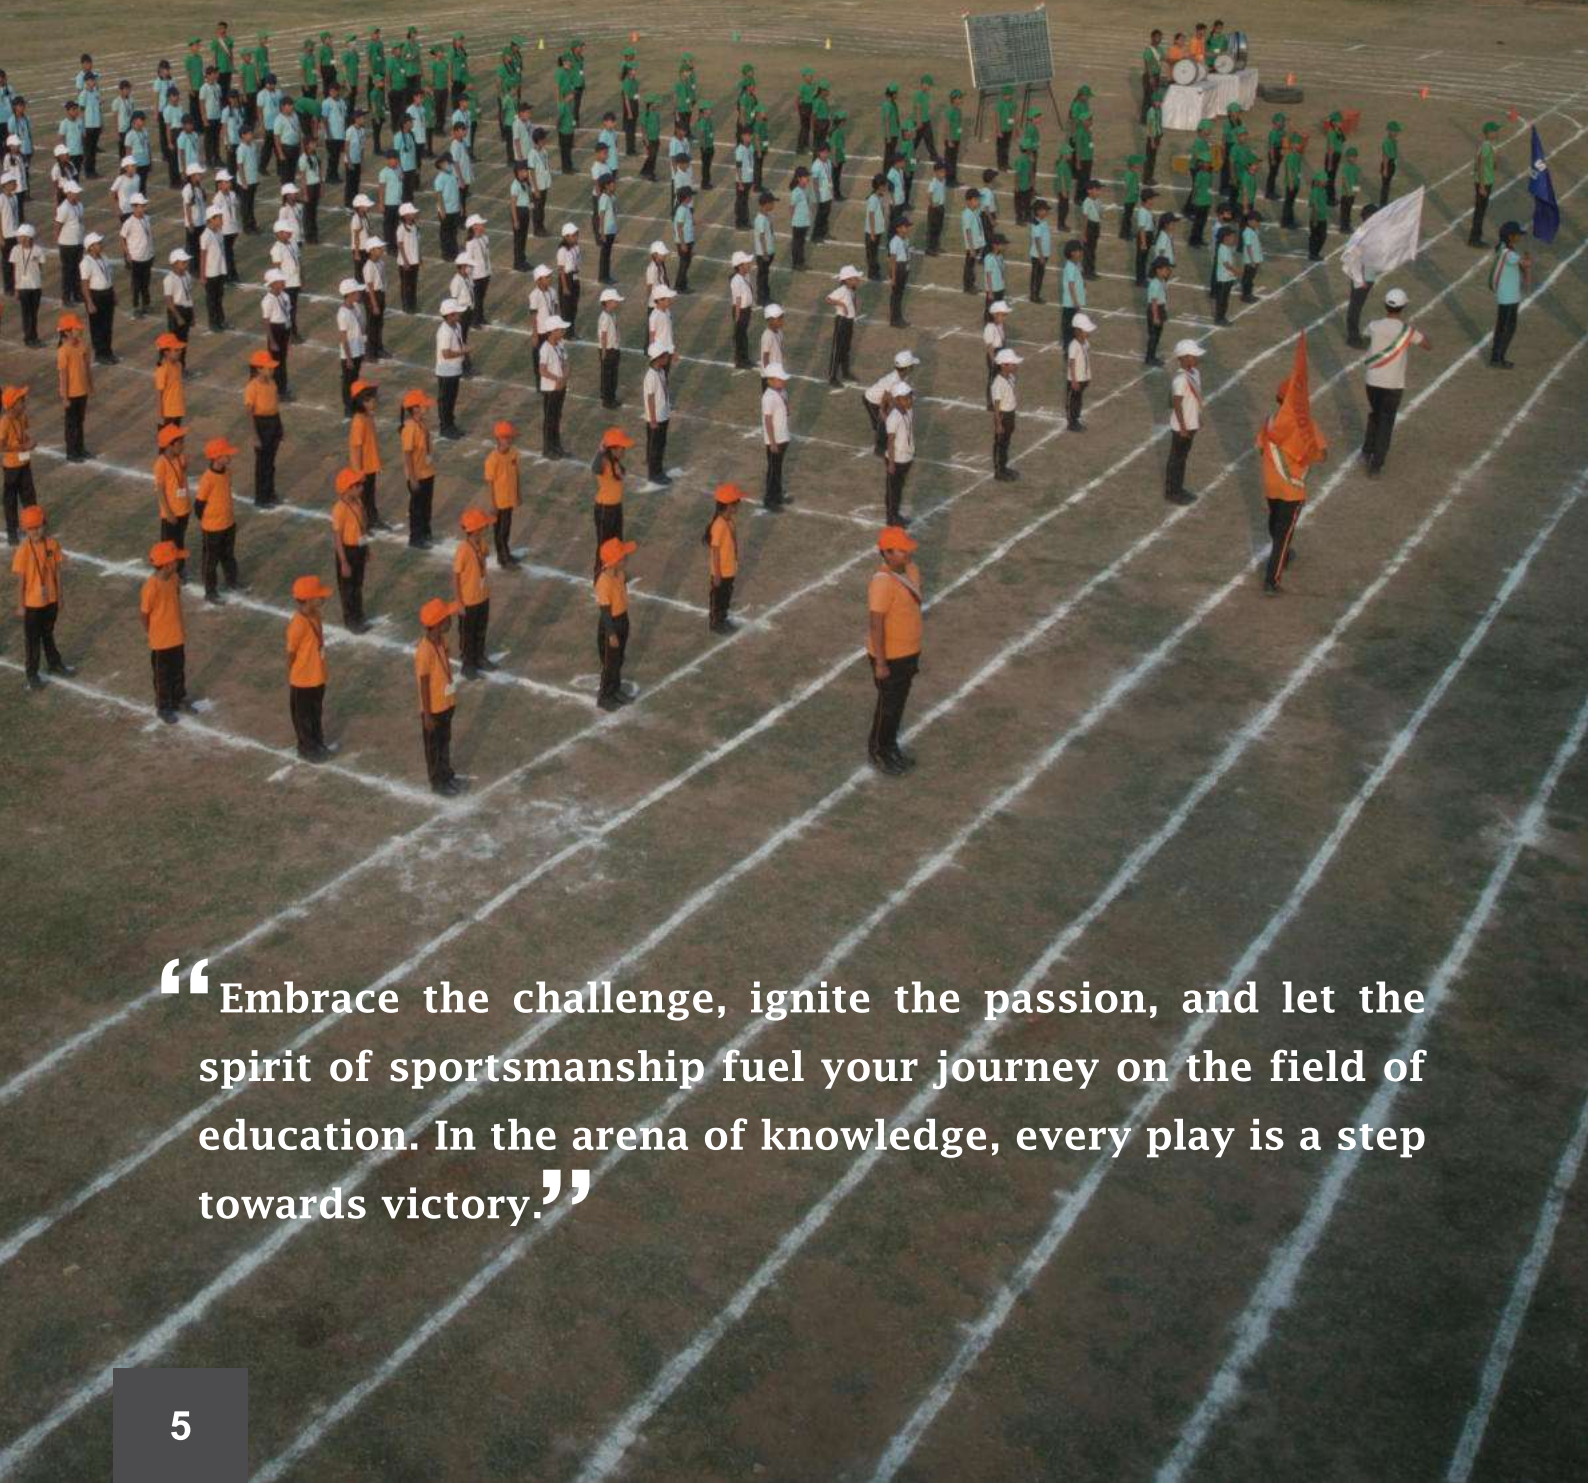

Our Std 9 students took the limelight as far as Entrepreneurship is concerned. They ran 6 businesses for a period of 1 month with products like: hot foods, dry snacks, stationery, baked goods, mocktails and games. They hit a total turnover of Rs 1 lac amongst the 6 stalls and took home profits ranging between 2000 Rs. to 10,000 Rs. Team work, interpersonal skills, accounting, leadership skills, integrity, accuracy of numbers, food hygiene and creativity were some of the take-aways for the students.

19th ANNUAL SPORTS MEET

Here is a glimpse of the grand 19th Annual Sport Meet at Satyameva Jayate International School on the 26th of January. It also marks the Republic Day. SJIS holds a sports day every year on 26th January, 2023 where the students show spirit of sportsmanship and learn to win and lose.

“Embrace the challenge, ignite the passion, and let the spirit of sportsmanship fuel your journey on the field of education. In the arena of knowledge, every play is a step towards victory.”

Introducing SJIS CLUBS

4 Club- sessions are introduced:

**Astronomy
Club**

**Nature & Wildlife
Club**

**Social Service
Club**

**Theater & Dramatics
Club**

At SJIS, we nourish our students for the challenges of the future, simultaneously ensuring that the pressure of today's competitive world does not swallow up their childhood. In order to bring about the holistic development of the child's personality, considerable emphasis is laid on co-curricular activities, which challenge not only the physical but also the mental capabilities of our learners.

Various clubs catering to the social, emotional and aesthetic needs of the students, are functional in the school. Students from Grade VI to X are entitled to choose any one among the list of clubs at least for three academic years in order to attain proficiency.

Star Gazing Astronomy Club

On 11th October, SJIS organized a telescopic as well as naked eye sky gazing event for the students of Astronomy club.

Starting with understanding of the night sky and how to see a Sky Chart, students later tried to find Cassiopeia constellation in the sky using a sky map. Meanwhile they also learnt about the most prominent constellation visible in the sky right now i.e. Cygnus, Aquila and Lyra that make a Summer Triangle in the sky. Fortunately, students could also spot some 3 to 4 man made satellites moving in the sky, despite light hindrance.

Apples & Bananas

Pre School & Daycare

Apples & Bananas Preschool is the Pre-Primary wing of the Satyamevjayate International School, established in the year 2000 by Dr. Hina Shah in recognition of her valuable contribution in the field of early childhood education and schooling, Apples and Bananas flourishes under her able guidance and wisdom.

From devising and designing curriculum for Harvard, to being honoured with a series of national/ international laurels and awards, Dr. Hina Shah is a name to reckon with in the field of education. Apples & Bananas Preschool is where she nourishes and develops little children to emancipate their inner potential.

At Apples & Bananas Preschool, children are the primary focus. I believe that all children deserve love, attention and nurturing. To foster age appropriate development, they are encouraged to have hands-on learning experiences followed by reflective discussions.

The school provides a warm, caring & fun filled atmosphere where children develop a lifetime love for learning. We sensitize students to have reverence to nature and for human life –We create an environment for children to learn independently, based on their own experiences. The guiding principle of the school is to provide children with a culturally sound environment, the right values, love and protection needed for a healthy body, mind and soul in the most critical phases of a child's growing years.

Campus Visit

The Apples & Bananas Preschool Kindergarten Program offers an age-appropriate curriculum that is preparatory to elementary education. "Learning through Play" methodology lays a firm academic foundation and prepares the child to withstand the onslaught of the more regimented elementary education.

Picnic

A picnic is a fun and relaxing way to bring smiles to the cherubic faces of little ones who just want to get away from the classroom and enjoy themselves.

A picnic was organised for the Apples and Bananas super kids on January 4, 2024. The venue for the picnic was 'Shanti Suman Resort'. Tiny Tots were highly elated to reach the destination, and they were playing, bounced up and down on the trampoline, and went on the rides. Everyone enjoyed the movie show, and watching the magic show and grooving with the DJ made their picnic more memorable. Moreover, they relished the scrumptious breakfast, lunch, and evening snacks. The children returned with a bundle of joy and memories in their hearts.

Festivals @ A&B

Our tiny tots celebrated all festivals with the utmost happiness and encouragement.

Janmashtami Celebration

Janmashtami is the day Bal Krishna is worshipped and also his birthday, with a message of victory over evil. The auspicious day of Krishna Janmashtami is celebrated by Apples and Bananas toddlers with great zeal. Kids love the beautiful idols of Lord Krishna, and they are often curious to learn about this festival.

Garba Celebration

SJIS Apples and Bananas organised the Garba Celebration on October 20, 2023. The celebration started by offering prayers and chanting Garba in front of the idol of Goddess Maa Durga to protect us from evil. Our tiny tots were dressed in traditional attire, which added to the festive mood. Everyone enjoyed Dandiya and Garba on the beats of music.

Christmas Celebration

'Christmas magic is silent. You don't hear it-you feel it. You know it. You believe it.' Christmas brings cheer and boundless love and we celebrated it with the same fervour....danced to joyful exciting tunes.... Xmas trees and Santa Claus..... followed by Christmas skit spreading the message of love and joy among our vibrant children.
