

Sa  yamevajayateTM
INTERNATIONAL SCHOOL

MESSAGE FROM THE FOUNDER & DIRECTOR

The word education comes from Latin root "educō" which means to educe or draw out. As such education is not only about acquiring knowledge but also about transforming the personality of a person and making her/him fit for living in the real sense. This transformation process implies an understanding of human nature and its proper cultivation so that the individual attains the potential which is present in the person. At Satyamevjayate, education is not merely concerned with giving formal knowledge, rather it aims at the complete development of the personality of an individual. It provides all-round development so that individuals become capable to face any challenges in life and also harness inner potential for social betterment.

To enable a student to acquire human values, inculcating scientific attitude and noble character is the objective of the school. Such an education system helps in transforming society by producing upright citizens who can contribute positively towards national progress. The curriculum is disseminated in such a manner that students are able to face practical problems which they come across in day-to-day life. At the same time emphasis is laid on acquiring creative skills so that one can contribute uniquely towards social growth. This ensures all-round development of a student through different curricular activities like arts, sports, physical education, library activities, community services, etc.

DR HINA SHAH
Founder & Director

Message from the **PRINCIPAL**

"Learning is not attained by chance; it must be sought for with ardor and attended to with diligence." – Abigail Adams

Talent and luck may come to us by accident, but learning is a skill that everyone must master with dedication. A student's journey requires progress, and progress is dependent on learning. At Satyamev Jayate International School, we provide facilitators and create learners.

Our school has always been more than just a place of learning; it is a vibrant and inclusive community. Together, we have successfully created an environment that encourages academic achievement, personal development and the exploration of the potential of each student.

We focus on discovering, developing and drawing out the hidden talents and the magic lying dormant inside our students. From academics to co-curricular activities, perseverance and a never-say-die spirit are entrenched in the heart of every student not only making them good students but brilliant human beings. In today's dynamic world, an all round development and grooming is of supreme importance and through our campus we are creating an environment for future leaders, entrepreneurs and professionals.

MRS. NISREEN KAKKAI

Message from the **PRINCIPAL**

At Satyameva Jayate International School, we firmly believe that education is the cornerstone of human progress. It is the key that unlocks doors of opportunity, empowers individuals, and shapes the future of our society. Within our school walls, we strive to nurture young minds, fostering a love of learning and a thirst for knowledge. We believe that education is more than just the acquisition of facts and figures; it is about developing critical thinking skills, cultivating creativity, and instilling a sense of responsibility and compassion. As the ancient proverb wisely states "Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding"

Education, therefore, is not merely about accumulating information, but about gaining true wisdom – the ability to discern, to apply knowledge effectively, and to live a life of purpose and meaning. At Satyameva Jayate International School, we empower our students to overcome challenges, to contribute meaningfully to their communities, and to make a positive impact on the world. We equip them with the tools and the knowledge to navigate the complexities of life and to build a better future for themselves and for generations to come. Let us embrace the power of education, cherish the opportunities it provides, and strive for excellence in all that we do.

10 COMMANDMENTS

- ✦ I will pursue my education with dedication and excel in it.
- ✦ I will teach at least ten persons to read and write.
- ✦ I will plant at least ten saplings and shall ensure their growth with care.
- ✦ I will help at least five persons to come out of unhealthy habits.
- ✦ I will constantly endeavour to remove the pain of my suffering brethren.
- ✦ I will not support any religious, caste or language differentiation.
- ✦ I will be honest and endeavour to create a corruption-free society.
- ✦ I will try to become an enlightened citizen and make my family proud.
- ✦ I will always be friendly and kind to the differently abled.
- ✦ I will proudly celebrate the success of my country and my people.

VISION

- ✦ To provide education and values which are accessible, affordable and contemporary, to provide benchmark against the best academic practices, retaining the core education principles and spiritual elements of India, that once made our nation one of the most prosperous in the history of the world.

MISSION

- ✦ The Satyameva Jayate International School seeks to give its students a sound education in the fullest sense of the term. While following a curriculum aimed at the attainment of the highest standards of academic excellence, the school takes particular care to ensure the all round development of character and personality and inculcate the qualities necessary for children to grow up as disciplined and responsible citizens. We don't teach children, but create conditions for them to learn.

Academic Excellence : Our Subject Scholars

Academic Merit Certificate

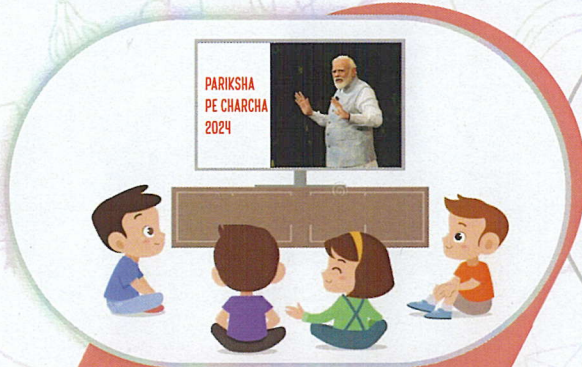

Presenting The Academic Merit Certificate holders chart, highlighting the achievements of our students. By securing 85% and above marks in individual subjects, these students have demonstrated exceptional academic prowess.

The chart showcases the number of subject-scholars per subject in each class, a testament to our students' hard work and dedication.

Congratulations to our scholars!

TOWARDS ACADEMIC EXCELLENCE

PARIKSHA PE CHARCHA

"Fear of failure must never halt your forward journey."

SJIS students from Grades VII and above participated in the live telecast of "Pariksha Pe Charcha," hosted by Hon'ble PM Narendra Modi. They gained valuable insights on exam preparedness, stress management, and balancing academics with life.

Grade VI Bridge Course Activities

"Bridging the gap, building the future."

The Bridge Course introduced Grade VI students to interactive and engaging learning methods. From lively discussions to multimedia lessons, the activities strengthened foundational knowledge and nurtured a love for learning.

Project CACA Webinar for Teachers

"Empowering Educators: Reflecting on the CACA Safety Workbook Series"

On June 6th, 2024, SJIS educators participated in the enlightening CACA Safety Workbook Series-Pedagogy webinar. This empowering session equipped teachers with invaluable insights and strategies to safeguard children against drug abuse.

Empowering Young Minds: Why SJIS Encourages SOF Exams

SJIS fosters academic talent through SOF exams, enhancing critical skills and promoting competitive spirit with assessments in Science, Mathematics, English and General Knowledge. This builds confidence, identifies strengths, and boosts the school's reputation.

"Continuous learning is the minimum requirement for success in any field"

—Brian Tracy

"SJIS SPORTS: EMPOWERING YOUNG ATHLETES"

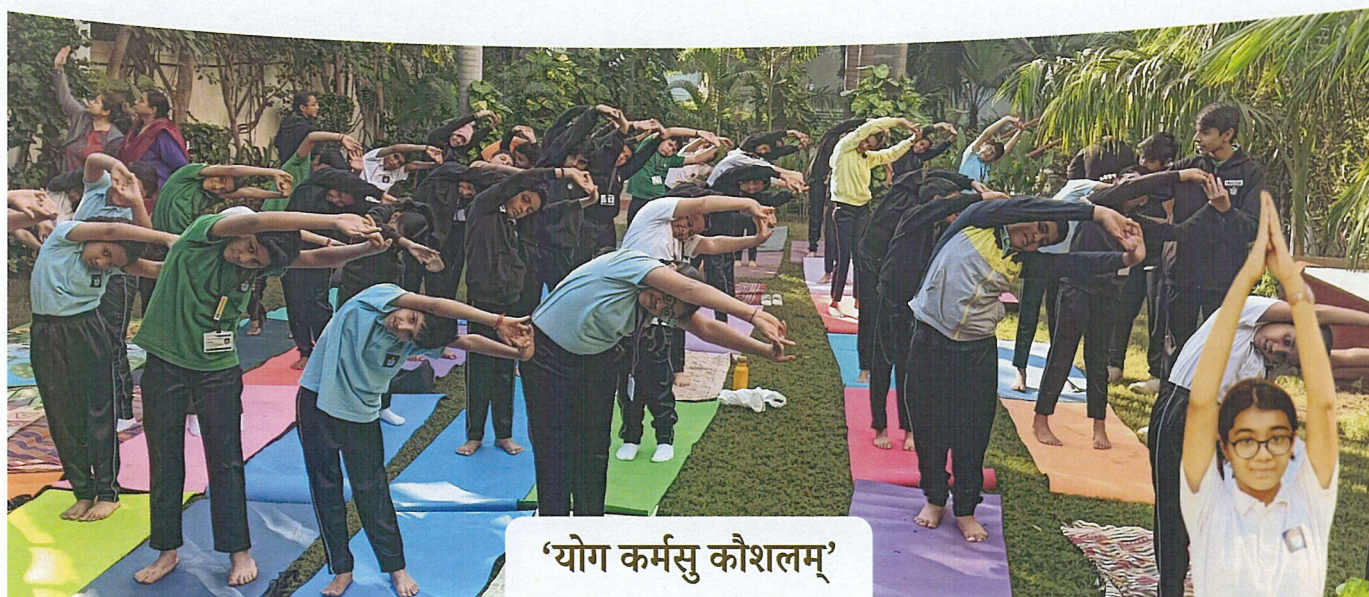

"Sportsmanship in Action: SJIS Annual Sports Day Meet"

SJIS celebrated its 20th Annual Sports Day Meet on January 26, 2024. The event showcased spectacular performances by students, including dance, aerobics, yoga, and gymnastics. The Chief Guest, Mr. Ingit Anand, and Guests of Honor, Dr. Shailendra Gupta and Dr. Parth Oza attended the event. Students participated in track events, innovative games, and traditional sports. Sarojini House won the House of The Year Trophy, and the day ended with a grand finale and a victory march.

“Spiking Into Action” - Team Work on the court

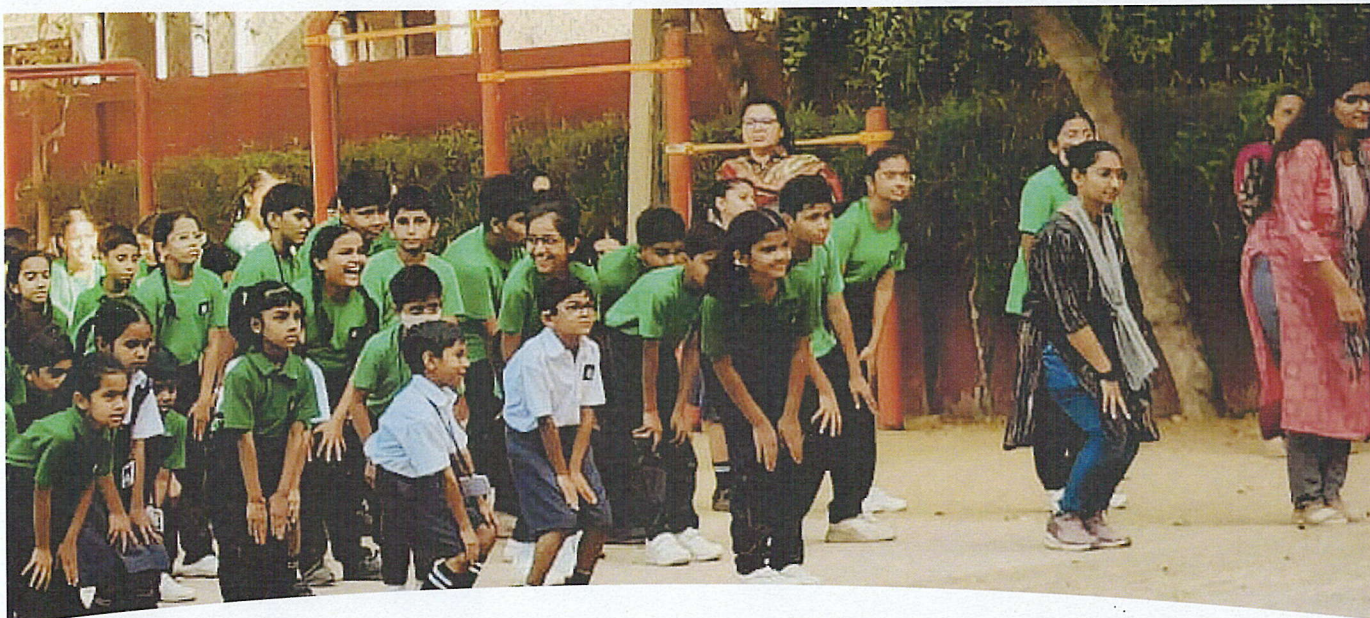

The SJIS campus came alive with the spirit of competition as boys from Grades VI to X participated in the Inter-House Volleyball Tournament. Teams from all four houses displayed coordination and sportsmanship. Sarojini House clinched the first position, followed by Ashoka and Tagore Houses as runners-up.

“Mindful Movement, Peaceful Minds.”

Weekly yoga sessions bring calm and focus to SJIS students, enhancing their physical and emotional well-being through practical mindfulness and relaxation. SJIS marked International Yoga Day with a serene celebration, emphasizing yoga's benefits for mental and physical health. The morning assembly featured a speech on yoga's advantages, followed by expert-led sessions for students of all ages. Enthusiastic participation in Suryanamaskar, aasanas, pranayama, and freehand exercises promoted tranquility, unity, and holistic growth.

Zumba Session: A Morning Energy Boost

"Move to the Rhythm, Embrace the Energy."

SJIS kick-starts the new day with an invigorating Zumba session, promoting fitness, teamwork, and joy. The lively event adds a refreshing spark to their morning routine, leaving everyone energized and motivated.

Raman House Rules the Court: Inter-House Badminton Winners

The Inter-House doubles and singles badminton competitions were held at SJIS.

Raman House emerged as the overall winner, showcasing exceptional skills and teamwork. The competition promoted sportmanship, camaraderie, and a healthy competitive spirit among students.

Congratulations!

YOUNG HANDS - BIG CHANGES

“SJIS Students Lead Social Responsibility”

“Let them soar free -Save the birds!”

Young Satyamevians from Grades IV to IX raised awareness for bird conservation and highlighted the importance of preserving their habitats.

Through slogans, they encouraged others to take small, everyday actions that contribute to bird protection. The initiative fostered a sense of responsibility in the community, inspiring collective efforts to safeguard the future of birds.

“Be a buddy, not a bully,”

Led by Team SJIS, an interactive session for Grades V to IX focused on standing up against bullying. Through role-plays and discussions, students learned the value of empathy and support. The session emphasized creating a safe, inclusive environment.

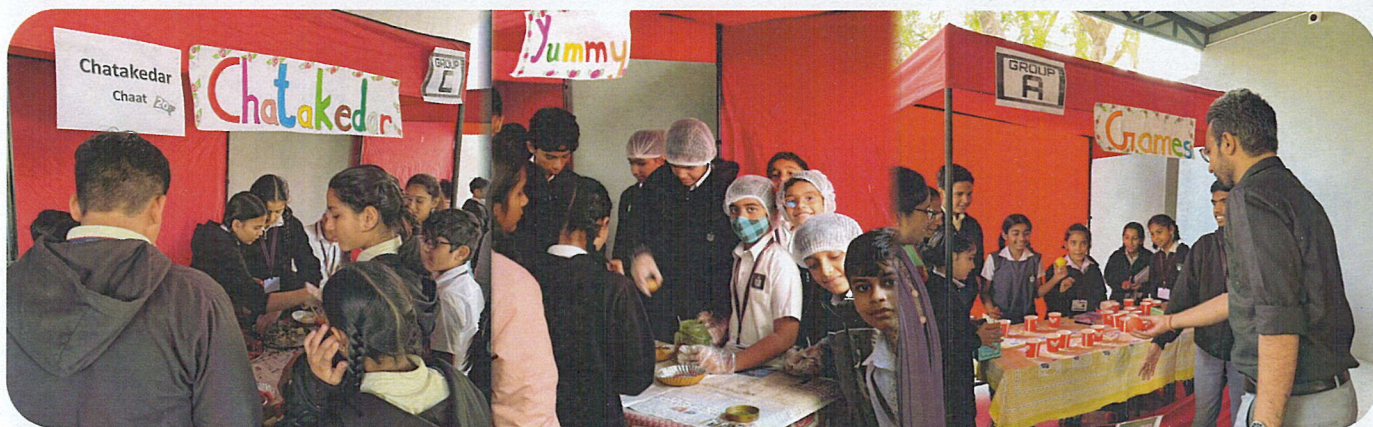

“Leaders are not born; they are made at SJIS.”

The election of the Students' Council for 2024-'25 brought forth dynamic leaders. From Head Boy and Head Girl to House Captains and Art Secretaries, the council is set to uphold excellence and responsibility. Congratulations to the elected representatives!

ENTREPRENEURSHIP @SJIS

SJIS CONTINUES TO MENTOR YOUNG ENTREPRENEURS

Unleashing Young Entrepreneurs - The SJIS Way

At SJIS, we sow seeds of entrepreneurship early. Our unique Model for Entrepreneurship Education (MEE) is dedicated to developing and refining the entrepreneurial competencies which make our students goal-setters, creative thinkers and brave innovators. From as early as Grade I, students are introduced to the intricacies of innovation, financial, and marketing management through specialized entrepreneurship classes. These classes are complemented by practical experiences such as Industrial Visits, Bank Visits, Mini Markets.

Through these activities, students gain hands-on knowledge and real-world insights into the business world. Gaining experience through industrial visits, bank visits, and running mini-markets, our students are encouraged to think creatively and develop new ideas. They understand money management, budgeting, and financial planning, the principles of marketing, branding, and customer engagement. Students develop skills to plan and execute business strategies.

At SJIS, we nurture the entrepreneurial spirit in every student, equipping them with the skills and knowledge to think outside the box and succeed in their future endeavors.

The Entrepreneurship Pitch Challenge 2024

SJIS organized its very own version of “Shark Tank,” providing a dynamic platform for the budding entrepreneurs of Grade X. Having been groomed and mentored in business fundamentals since Grade I, these students showcased their skills, creativity, and entrepreneurial acumen through an exhilarating Pitch Challenge.

The event saw 22 students, grouped into teams of two, present innovative business ideas across a diverse range of industries, including Kanjivaram sarees, Virtual Reality headsets, sports cars, perfumes, pharmaceuticals, and more. Each team demonstrated their keen understanding of market needs and trends, delivering impressive pitches to an esteemed panel of jurors.

Panel of Esteemed Judges

The jury comprised accomplished business leaders and academicians who offered valuable critiques and encouragement:

- **Ms. Aditi Shah** – Director, Aditi Air-conditioning Pvt. Ltd
- **Mr. Nitesh Jain** – Managing Partner, N.J. Jain and Associates
- **Mr. Madhur Todi** – Professor, Ahmedabad Management Association
- **Dr. Jainil Shah** – External Committee Member, AMA

The judges rigorously questioned the teams on various aspects of their business plans, including idea origination, financial planning, competition analysis, and ethical considerations. The students impressed the jury with their meticulous research, sound financial strategies, and clarity of thought, showcasing their preparedness and entrepreneurial potential.

AWARD WINNERS

1st Prize Shambhavi and Aditi –
Business Plan: Perfumes – Scholarship
of INR 20,000

2nd Prize Hitarth and Ritesh –
Business Plan: VR Headset – Scholarship
of INR 15,000

3rd Prize Yatharth and Dhyan –
Business Plan: Pharmaceuticals –
Scholarship of INR 10,000

3rd Prize Shriyaba and Ananya –
Business Plan: EV Batteries –
Scholarship of INR 10,000

The event highlighted the students' ability to think critically and creatively under pressure. Judges commended their innovative research and entrepreneurial spirit, noting how the experience would inspire them to think bigger and bolder.

More than just a competition, the Pitch Challenge marked a pivotal moment in the students' journey toward becoming future leaders. By transforming their dreams into actionable business concepts, the event reinforced the significance of entrepreneurship as a powerful tool for personal growth and societal change.

SJIS takes pride in being the pioneer in systematically developing entrepreneurial spirit and capability in school students for last 22 years.

National Youth Day

"All power is within you. You can do anything and everything." – Swami Vivekananda

Celebrating Swami Vivekananda's 161st birthday, students conducted a special assembly commemorating his teachings. Highlights included student speeches, a quiz, and a discussion on the relevance of selfless service. The event inspired our youth to dream big and work hard to make a difference.

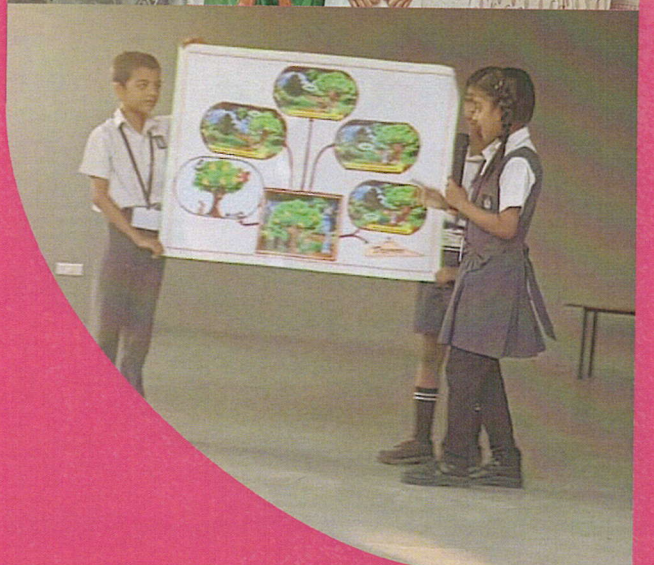

"Little Minds, Big Expressions: SJIS Little Hearts of Primary Section Shine in the Morning Assembly"

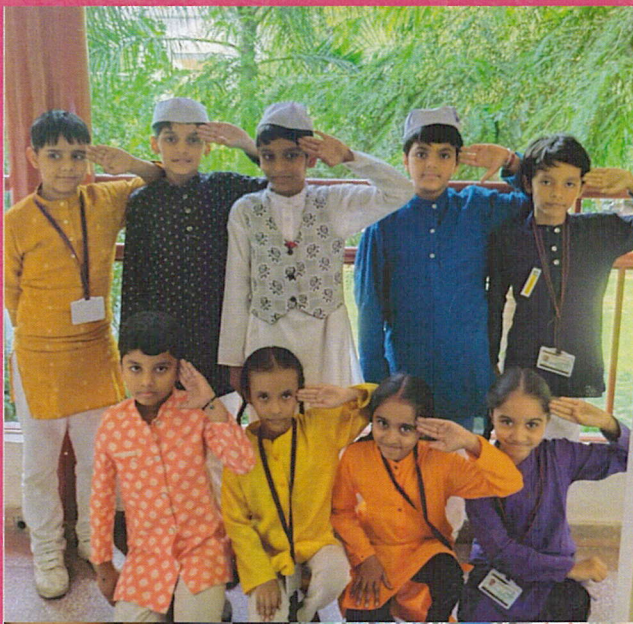

SJIS takes the stage-floor in the morning assembly, showcasing their creativity and talent through mesmerising poems, stories, skits, and presentations. With confidence and enthusiasm, they bring their words to life, captivating the audience with their energy and charm. From thought-provoking skits to imaginative storytelling and poetry recitals, the students demonstrate their ability to express themselves effectively and creatively, conversing in different languages.

Unleashing Creativity: Inter-House Mono Act Competition: A Showcase of Quick Thinking and Eloquence For Grade I to IX

The Inter-House Mono Act Competition showcased the talents of SJIS students. The event encouraged students to portray unique characters, demonstrating their confidence, creativity, and originality.

Celebrating Childhood: Honoring Pandit Jawaharlal Nehru's Legacy

SJIS celebrated Children's Day featuring enthralling performances, including songs, dances, and a thought-provoking skit on social media addiction. The event reinforced the commitment to nurturing young minds and fostering a supportive environment.

Inter-House Diya Decoration Competition

Showcasing the creativity and passion of the SJIS students the red earthen diyas, which were transformed into beautiful pieces of artifacts, doubled the mood n fervour of the festival. The Inter-House Diya Decoration Competition brought out the young artists from within the students.

Earth Day

Earth Day is an annual event observed on April 22, to demonstrate support for environmental protection. raising awareness about it. A special assembly explaining different ways to support and protect the earth was conducted. Celebrations of Earth Day were further extended in the form of a colouring activity named "Lend Your Hand – Earth Day". The students from Grades III – VI demonstrated their creativity, enthusiasm, imagination and love for our Mother Earth.

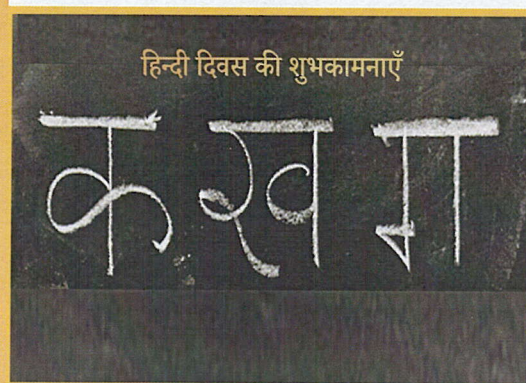

“Where every word counts”

Students from Grades I to X enthusiastically participated in a high-spirited Spell Bee Competition. The event showcased the power of language and ignited a love for words among participants, proving the brilliance of young minds.

Celebrating Hindi Diwas with Enthusiasm

On June 26th, 2024, SJIS students participated in the Mahatma Gandhi Rajbhasha Hindi Pratiyogita. This fostered love, respect and honour for the national language.

"Class 8 Takes Action for a Cleaner Tomorrow on World Pollution Control Day"

At SJIS, we encourage you to embrace secularism and mutual respect by celebrating diverse festivals with enthusiasm. From Diwali to Christmas, Eid to Buddha Purnima, and Ganesh Chaturthi to Navratri, you learn and appreciate the significance of each tradition. These celebrations instill values of tolerance, empathy, and unity, shaping you into responsible global citizens.

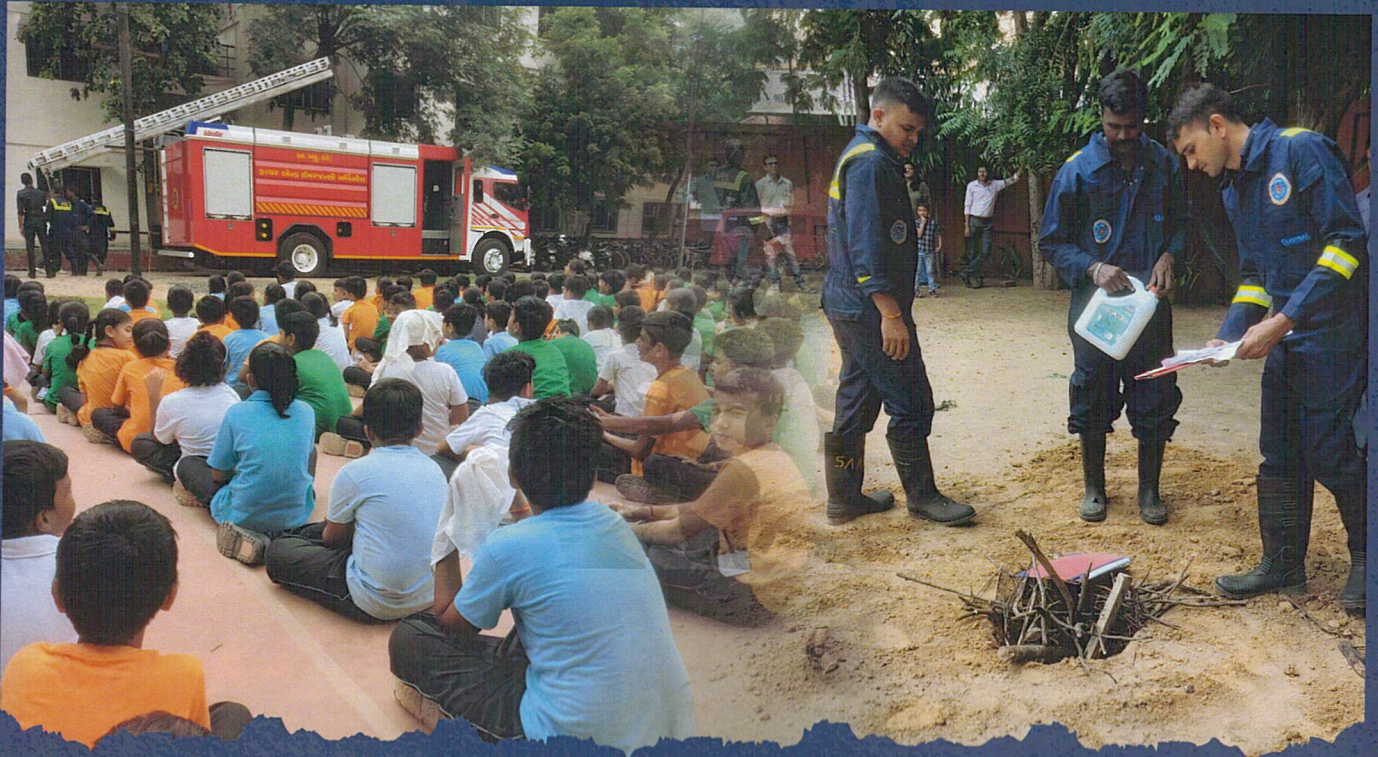

“Clean Hands, Bright Minds: SJIS Celebrates Global Handwash Day”

SJIS observes Global Handwash Day, promoting proper hand hygiene. Students learn and practice effective hand washing with soap and water to prevent illnesses. By making hand washing a habit, they protect themselves and their community.

SAFETY @SJIS

“Secure Foundations, Safe Futures: SJIS Cares”

“Preparedness is the key to safety.”

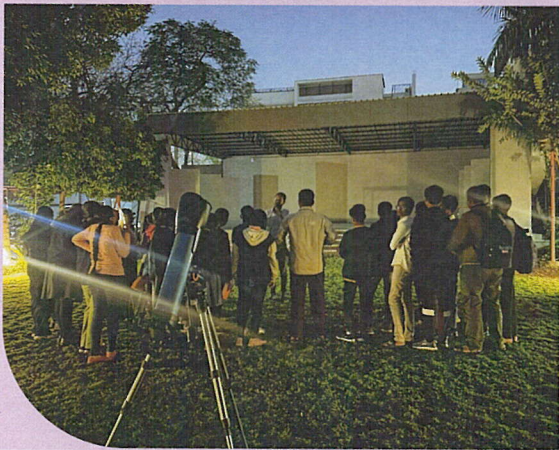

SJIS conducted a successful safety drill, ensuring students and staff are ready to respond to emergencies like fires and earthquakes. The drill emphasized swift action, awareness, and teamwork, reinforcing the importance of safety protocols.

“Ensuring Safety: Evacuation Drill at SJIS”

SJIS conducted a successful evacuation drill, demonstrating the school's commitment to prioritizing safety and preparedness. The drill showcased the efficiency and cooperation of students and staff.

NURTURING YOUNG MINDS: SJIS CLUBS

Astronomy Club: Exploring the universe and promoting scientific understanding

Nature and Wildlife Club: Fostering environmental awareness and conservation

Social Service Club: Cultivating empathy and community service

Theatre and Dramatics Club: Developing creativity, confidence, and communication skills

SJIS Clubs: Where Passions Meet Opportunities **Nurturing Young Minds: SJIS Clubs Foster Holistic Development**

SJIS introduces Club Activities for students in classes VI to X, fostering their holistic development through social, emotional, and aesthetic exploration. Students can choose from Astronomy, Nature and Wildlife, Social Service, and Theatre Clubs to pursue their passions. The 2nd and 4th Saturdays were most awaited as the clubs were conducted to enhance communication, leadership, and teamwork. In the Astronomy Club, students explore the universe through stargazing, planetarium shows, and model-making. The Nature and Wildlife Club promotes eco-friendly habits with tree-planting, bird-watching, and conservation efforts. The Social Service Club encourages empathy through visits to orphanages and community projects. The Theatre Club nurtures creativity through script writing, play-acting, and dance. These clubs help students develop life skills, build relationships, and become responsible global citizens.

Celebrating 75 years of our Indian Constitution.

On November 26, 2024, Grade IX students held a special assembly marking the 75th anniversary of India's Constitution. They highlighted its significance, preamble, and fundamental rights, emphasizing the importance of upholding these values. The assembly concluded with Dr. B.R. Ambedkar's inspiring words: "The Constitution is not a mere lawyer's document; it is a vehicle of life." This event reinforced the need to preserve the Constitution's spirit.

Class 8 Takes Action for a Cleaner Tomorrow on "World Pollution Control Day"

On December 2, 2024, Aahana, a Grade 8 student, delivered a powerful speech on World Pollution Control Day. She highlighted pollution's impact on health, the environment, and the economy, sharing alarming facts and practical solutions. Urging her peers to reduce, reuse, and recycle, she inspired them to adopt eco-friendly habits and work towards a cleaner, sustainable future.

Fraction Fiesta

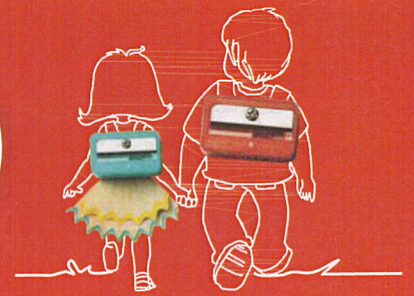

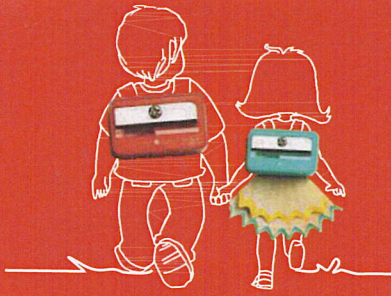

SJIS is committed towards the all round development of its students. The curriculum offers them a wide range of activities all year long. The Institute embraces the power of creativity and learning. Mathematics Department hosted an activity named "FRACTION FIESTA" for Grade VI-VII students on September 20, 2024. Students used coloured paper-cut fractions made of a variety of shapes and designs to build wall hangings. They had a fantastic experience and a great platform to learn mathematical ideas through an engaging activity.

2-D Model Making

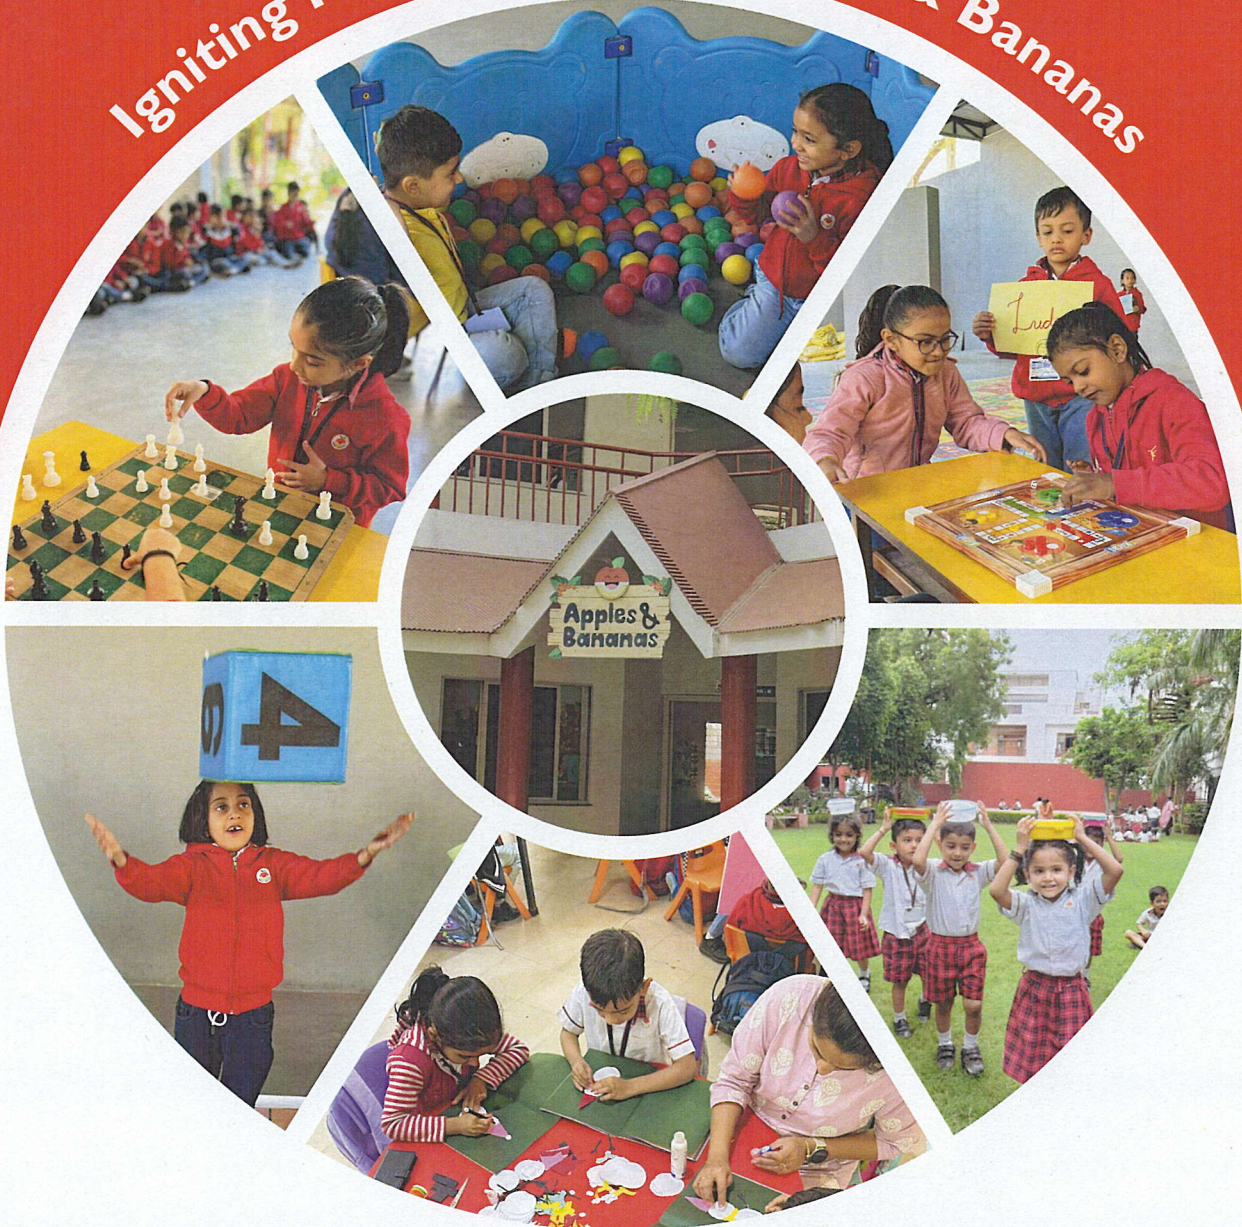

SJIS Physics Department organised an individual activity on "2-D Model Making" of Ray Diagrams of Concave and Convex Mirrors for the students of Class X on August 6, 2024. This gave them a platform to explore the properties of light. Students understood the characteristics of spherical mirrors and how images are formed by them. The Activity was a fantastic approach to help students develop their imagination and spark creativity.

Playful Digits Delight

The "Playful Digits Delight" Maths Activity for Grade IV-VI, conducted on April 26, 2024, was to help students better understand 6-digit numbers and their importance in Mathematics. It was aimed to make learning about place value more fun.

Igniting Young Minds at Apples & Bananas

Preparing Young Minds for a Bright Future at Apples & Bananas Preschool, we are dedicated to nurturing the next generation of thinkers, innovators, and leaders. Our dynamic, inquiry-based curriculum blends STEM, the arts, and social-emotional learning, fostering creativity, curiosity, and critical thinking from an early age. With passionate educators and a stimulating learning environment, we empower children to explore, discover, and grow with confidence.

At Apples & Bananas, we don't just prepare students for kindergarten—we equip them with the skills to thrive in the future.
