Welcome to SJIS

"Knowledge is the key that opens all doors to success."

This maxim could not be more appropriate than in present times, when learning is literally at one's fingertips and the doors to success are many. I foresee SJIS as the beginning of a revolutionary learning process for everyone teachers as well as students - a process which will give education a global dimension.

The SJIS Model for Entrepreneurship Education opens a world of self reliance for the students. It makes them initiators, leaders, creative, persistent, goal setters and team players. It facilitates life time learning and better academic performance.

I can envision my students interacting all over the world, transcending barriers of geography, age and creed.

Dr. Hina Shah, Director SJIS

જે સ્કુલમાં ભણતર એક ઉત્સવ છે.

બાળકનો માનસિક વિકાસ ૧ થી ૧૨ વર્ષની વયે થાય છે, તેવું માનસશાસ્ત્રીઓ ચોકકસ પણ માને છે. આ સમયે જો સારું શિક્ષણ અને સારું શીખી શકાય તેવું વાતાવરણ અને સાચા મુલ્યો મળી જાય તો વ્યક્તિત્વ ખીલી ઉઠે છે. સત્યમેવ જયતે ઇન્ટરનેશનલ સ્કુલ આ હેતુથી શિક્ષણ ક્ષેત્રે છેલ્લા દસ વર્ષથી પ્રયત્નશીલ છે. આ સ્કુલની વિવિધ પ્રવૃત્તિઓ અને અનોખા અભ્યાસક્રમ પર એક નજર કરશો તો ચોકકસ આ બાબતની પ્રતિતિ થશે. આ ભણતર એક ઉત્સવ છે.

સત્યમેવ જયતેના બાળકો જ્ઞાન મેળવવાનો એક ઉત્સવ ઉજવી રહ્યા છે. થોથા પંડિત બનીને નહિ પરંતુ પોતાની આજબાજુના વાતાવરણમાં એકરૂપ થઈને, તેને અનુભવીને, તેને આનંદોત્સાહથી વધાવીને માટે જ સત્યમેવજયતે ઇન્ટરનેશનલ સ્કુલમાં જિંદગી એક સેલેબ્રેશન- ઉજવણી છે - જન્મવાની સુંદર ભણતરની-સારા નાગરિક થવાની- કુટુંબને, રાજ્યને દેશને પોતા થકી આંતરરાષ્ટ્રીય નકશામાં સ્થાન અપાવવાની- આવો અને અમારા આ ઉજવણીના મહાઉત્સવમાં જોડાવો.

Since the Year 2000, SJIS is the only school that teaches Entrepreneurship, creating young entrepreneurs and leaders of tomorrow

Best Pre School & Best CBSE School in Ahmedabad

Why should you apply to SJIS?

3 FOUNDING PRINCIPLES

- 1. Self-Esteem**
At SJIS, we build a high self esteem in our children, which makes them **loving, unique, spontaneous, different, adventurous, creative and fearless.**
- 2. Self-Worth**
Self worth cannot be damaged or taken away, it is always there. But for many people it lies hidden behind defensive walls. **We make our children realize their self worth.**
- 3. Self-Reliance**
SJIS encourages entrepreneurial values from an early age, by developing skills like goal setting, problem solving, perseverance and teamwork. **We create self-reliant, self-sustainable ENTREPRENEURS.**

Experiential Teaching

SJIS emphasises experiential learning. The Learning comprises interactive lectures, case-based teaching, experience sharing by teachers and experts, simulation exercises, project-based workshops and field trips. Students are exposed to a process of all-round development. The soft skills, such as team building, motivation, positive thinking and effective communication are an integral part of curriculum.

IN DEPTH ASSESSMENT

Our in-depth assessment goes beyond marks — we create a detailed Multiple Intelligence profile for every child, evaluating their thinking, logic, reasoning, and interpretation skills.

Through classroom tasks and diverse activities, we gauge their multitasking, creativity, and problem-solving abilities, helping us highlight each child's unique strengths and true potential.

Qualified & Experienced Experts and Teachers

The faculty is an ideal mix of regular and visiting faculty with high academic credentials and experience. Eminent experts and professionals visit the campus to teach and share their experiences.

SJIS Teachers are more than just tutors to their students. They are their friends, philosophers and guides in every aspect of their lives.

Why XI – XII Commerce & Science?

- Experienced faculty who are CAs, Economists, and Finance Experts
- Excellent faculty and visiting experts who are MSc, PhD, Mathematicians
- Goal setting and Career Guidance with eminent behavioural scientists, Special focus on Entrepreneurship
- Guidance towards preparations for competitive exams
- Aim to reach academic excellence through highest results.

ENTREPRENEURSHIP

SJIS has developed a revolutionary concept of teaching Entrepreneurship along with the regular curriculum right from Standard 1 to Standard 10.

Along with this, students also learn competencies like Problem Solving, Decision Making, Goal Setting, Opportunity Seeking, and Developing Self-Confidence

SPORTS

SJIS encourages fitness of the mind, body and soul. We have our own Tennis Academy where State Ranking Tournaments are held each year. The sports we play are:

- Tennis
- Badminton
- Chess
- Volley Ball
- Cricket
- Other Indoor/Outdoor Games

SOCIAL CAUSES

"Save the Birds" during Utrayan, "Use of Organic Colours" during Holi, raising money for disaster affected or the poor and needy are some of the social causes carried out by SJIS.

CAMPS & FIELD TRIPS

These include camping, sports or cultural trips and visits.

The school also conducts Leadership Camps and Team Building Camps for the students.

YOGA & MEDITATION

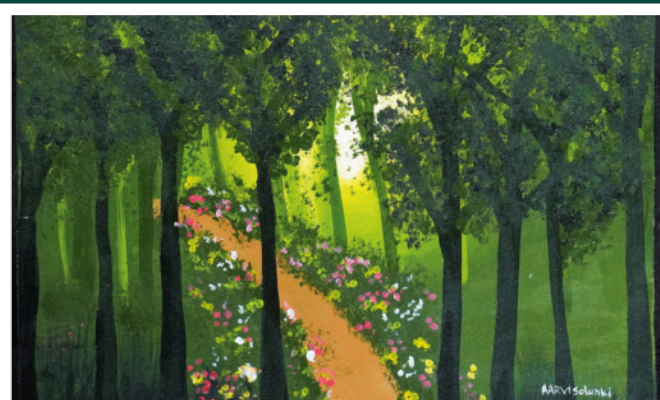

To lead the young minds towards concentration and to teach them stress management in today's world has become necessary.

Thus Yoga and Meditation are a part of the regular curriculum.

PERFORMING ARTS

- Music
- Singing
- Dance
- Dramatics and Theatre

ART & CRAFT

SJIS exhibits art work of its budding artists at nationally recognised galleries every year.

CO-CURRICULAR ACTIVITIES

- Elocution
- Debate
- Declamation
- Quiz
- Tree Plantation
